- **2007.** Interpretation of the results of the technical inspection of the dam of HPP Rama and the surrounding soil for 2006. year - IGH-MOSTAR's team member;
- **2007.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 2006. year - IGH-MOSTAR's team member;
- **2006.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 2005. year - IGH-MOSTAR's team member;
- **2006.** Spatial-transport study of the road network in Herzegovina-Neretva Canton - Environmental expert;

EUROPEAN CURRICULUM VITAE FORMAT

- **2006.** Spatial-transport study of the road network in WestHerzegovina Canton - Environmental expert;
- **2005.-2007.** Preparation of planning and study documentation for "Corridor Vc Motorway" – LOT 6 (section Sarajevo South-Border South) - Technical Study, Conceptual Design, Preliminary Design of objects according to DDP and ACM Instructions - Coordinator for the IGH-MOSTAR's part;
- **2005.-2007.** Preparation of planning and study documentation for "Corridor Vc Motorway" – LOT 4 (section Mostar North-Border South) - Technical Study, Conceptual Design and Study on the Environmental Impact Assessment (EIA) - Coordinator for the IGH-MOSTAR's part;
- **2005.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 2004. year - IGH-MOSTAR's team member;
- **2004.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 2003. year - IGH-MOSTAR's team member;
- **2003.-2004.** Quality Manager on rehabilitation of Old Bridge in Mostar;
- **2003.** Co-organizing of the *Final Symposium* «Development of new policy for Hutovo Blato wetlands», held in Hutovo Blato, Čapljina (December, 2003);
- **2003.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 2002. year - IGH-MOSTAR's team member;
- **2002.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 2000.-2001. year - IGH-MOSTAR's team member;
- **2001-2003** - President and member of Commission for professional examinations of architects and civil engineers of the West-Herzegovina Canton;
- **2000.** Interpretation of the results of the technical inspection of the dam of HPP Rama and the surrounding soil for 1999. year - team member;
- **2000.** Co-organizing of the International Symposium «Hutovo blato wetlands today and in future», held in Čapljina (May, 2000);
- **2000.** Organizing of the Workshop on International Wetland day on Nature Park Hutovo blato (February, 2000);
- **2000.-2017.** Coordinating and participating in preparing of 30 studies of the environmental impact assessment ("Corridor Vc Motorway" - LOT 4 - section Mostar North-Border South, Brewery "Uniline" Grude, Dairy Plant "Sappit" Posušje, many concrete plants, aggregate facilities, quarries, gasoline stations, various production objects...);
- **2000.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 1999. year - IGH-MOSTAR's team member;
- **1999.-2002.** Senior manager of the "LIFE-Third countries" Project (2000-2003) "Development of the new management policy for the Hutovo blato wetlands, Bosnia & Herzegovina" (Head of unit for preparation of legislative and its implementation in practice, co-ordination between experts from Croatia and B&H in preparation interstate recommendations on management of wetlands, as well as promotion of the project results and new legislative proposal on different state level during process of adoption);
- **1999.** Co-organizing of the Regional Environment Center's (REC) *International Seminar on environmental impact assessment* on Nature Park Hutovo blato (November, 1999);
- **1999.** Interpretation of the results of the technical inspection of the dam of HPP Rama and the surrounding soil for 1998. year - IGH-MOSTAR's team member;
- **1999.** Interpretation of the results of the technical inspection of the dam and subgrade dam Tribistovo for 1998. year - IGH-MOSTAR's team member;
- **1998.** Interpretation of the results of the technical inspection of the dam of HPP Rama and the surrounding soil for 1996.-1997. year - IGH-MOSTAR's team member;
- **1996.-2015.** Quality control on many projects in B&H (HPP Peć Mlini in Drinovci, Grude - over 30.000 m³ of concrete, new bridge in Čapljina, bridge Ravno, Tower and administration building at Mostar Airport, quality manager on reconstruction of the Old Bridge in Mostar; a number of local and regional roads, as well as many buildings and other objects, attestation and quality control of concrete plants, aggregate facilities, quarries, etc.);
- **1996.-2003.** Authorized person for the performance of testing or certification and certification of materials and products according to Mandatory Certification Orders (1996-1997, 1997-2000, 2000-2003);
- **1996.-1998.** Designing of roads (working design of road Mokronoge-Prozor, working design of road Obilaznica Gruda, working design of road Obilaznica Tomislavgrada, main design of road Varvara-Prozor, preliminary design of road Mokronoge-Prozor (II. section – II. i III. subsection, III. section – I., II. i III. subsection);
- **1995.-1996.** Preparation of 8 books with approximately 3,000 pages for expert exams for architects, construction engineers, engineers and electro-engineers in construction; President/deputy president and member of the Commission for professional examinations in construction;

- **1984.-1992.** Work in Institute on testing and researching of construction materials, among them in scientific-research projects:
 - International scientific project with USA Ministry of transportation: "Development of strength in cements - effect of additives" (1989-1992);
 - Macro-project: "Water as a developing factor in karsts";
 - Research project "Technology of Roller Compacted Concrete" (1985-1992);
- **1984.-1989.** Quality Control of concrete works on construction of HPP Mostar;
